

Our Mission

The mission of Ryan's Quest is to increase awareness of Duchenne muscular dystrophy with the purpose of allocating funds for research that can accelerate a treatment for this disease. We also grant financial assistance to help provide an independent lifestyle to those with Duchenne. We appreciate your generosity and support as we continue to pursue our mission.

About The Golf Courses

The historic Banks Course was designed by Charles H. Banks, one of America's celebrated "Golden Age" architects. Regarded as an architectural gem, the "traditional" design of the Banks Course features many holes inspired by some of the legendary Scottish courses, as well as Banks' signature steep and dramatic greenside bunkers. The scenic Palmer Course, which includes holes designed by Arnold Palmer, features water hazards on 10 of its holes and is enjoyable for golfers of all skill levels.

Both golf courses are maintained at a championship level and have excellent playing conditions.

Ryan's Quest is a Registered 501 C3
Non-Profit Organization.
